

Central KS Dream Center Discipleship Step Two

In order to participate, the student must agree to the following requirements:

Entrance into Step Two of the CKDC Discipleship is an automatic step in the disciple process.

Commencement will occur only after successful completion of Step Two.

While entering their last thirty days of the Step One program, each disciple will be responsible for setting up a private interview with Lisa.

During the interview process the disciple will present 2-3 community support people that will provide accountability.

Upon reading and discussing the expectations the disciple will sign the Step Two agreement.

Upon completion of additional ninety (90) days, the disciple will have a plan in place to exit. No additional time will be given after Step Two.
